## Career Objective:

As a dedicated and passionate web developer, I specialize in creating dynamic and responsive websites using the latest technologies in front-end and back-end development. I possess a strong foundation in HTML, CSS, JavaScript, and various frameworks such as React js and Spring Boot. My problem-solving skills and eagerness to learn new technologies drive me to continuously improve my skills in field of web development.

## Educational Qualifications:

- Pursuing “ B.Tech in Computer Science ” from “ Guru Nanak Institute of Technology ”, Average CGPA- 8.45
- Higher Secondary (2021) with “percentage of marks” from “ VIVEKANANDA ENGLISH ACADEMY - H.S. ” under “ WBBSE ”
- Matriculation (2019) with “percentage of marks” from “ VIVEKANANDA ENGLISH ACADEMY - H.S. ” under “ WBBSE ”

## Computer skills:

- **Programming Languages:** Java , Python , HTML, CSS , JavaScript
- **Known Technology:** Git , GitHub, Node js.
- **Framework :** Spring Boot , ReactJs
- **RDBMS:** MySQL (Popular SQL databases.) , MongoDB (A NoSQL database)
- **Operating System:** Windows and Linux
- **Subject Knowledge About :** DBMS, DSA.
- **Latest Area/ Technology of Interest:** Software Development , AWS (Cloud Computing)

## Soft skills:

- **Communication:** Presented technical solutions to non-technical stakeholders, ensuring clarity and understanding.
- **Team Collaboration:** Worked effectively in diverse teams on various projects, contributing to a cohesive and productive team environment.
- **Problem-Solving:** Demonstrated strong analytical and creative problem-solving skills in complex coding challenges.
- **Time Management:** Successfully managed multiple projects simultaneously, prioritizing tasks to meet deadlines.
- **Leadership:** Led a team of peers in a group project, coordinating efforts and managing project timelines.
- **Presentation:** Demonstrated ability to effectively present technical concepts and project updates to diverse audiences, including peers, professors, and industry professionals.

## Project Work:

### 1. News India – Website

**Description:** Developed a dynamic and responsive news website to aggregate and display news articles from sources. The project ensure seamless data fetching, user authentication, and real-time updates.

**Technology:** HTML, CSS , JavaScript, React js ,News Api, Node js (npm)

**Programming Language:** HTML, CSS , JavaScript

**GitHub Link:** <https://github.com/asif-ansari10/News-India>

### 2. Chat-App

**Description:** Chat-App is a versatile and user-friendly messaging platform designed to facilitate seamless communication among users. It supports real-time text messaging, multimedia sharing, and integrates with various social media platforms to provide a comprehensive communication solution. The app aims to offer a secure, reliable, and intuitive user experience across multiple devices.

**Technology:** React js, Socket.io, Nodejs, Redux-Toolkit, MongoDB, Node js , bcryptjs, express, nodemon

**Programming Language:** HTML, CSS , JavaScript

**GitHub Link:** <https://github.com/asif-ansari10/Chat-App>

### 3. E-Commerce Website

**Description:** An intuitive and responsive e-commerce platform designed to deliver a smooth online shopping experience. The website features product browsing, cart management, user authentication, and secure order processing. With a modern UI and robust backend architecture, it ensures fast performance, scalability, and maintainability.

**Technology:** React.js, React Router, Spring Boot, Spring Security ,MySQL, Razorpay

**Programming Language:** HTML, CSS , JavaScript, Java

**GitHub Link:** <https://github.com/asif-ansari10/E-Commerce-Website>

## Certification :

- Full Stack Web Development
- Data Structures from Coursera
- JAVA Backend Development – GeeksForGeeks

## Training/ Internship:

**Internship Title:** Software Development Intern

**Company:** Unified Mentor Private Limited

**Duration:** July 2024 – September 2024

**Location:** Remote

## Extracurricular activities:

- Lead the college tech-fest – “TECHVERSE 2.0”
- Member of the organizing committee of “Video Editing”
- Creating YouTube Videos about Travel Vlogs - Channel name “Asif’s life”

**Language known:**

- English
- Hindi
- Bengali
- Urdu

**Hobbies:**

- Vlogging
- Football
- Gymnasium
- Traveling
- chess

**Personal Details:**

- Date of Birth: 18 March 2003
- Nationality: Indian
- Gender: Male
- Marital Status: Single
